HOW TO USE THE TELEPHONE

OBTAIN TELEPHONE NUMBER FROM DIRECTORY

Please obtain the desired number from the latest issue of the telephone directory. If the listing is not found, call "Information."

LISTEN FOR SIGNALS

After placing a call, listen for the ringing signal, busy signal, or report from the operator. Please do not abandon the call until you have given the called party sufficient time in which to answer.

The ringing signal is a "burring" sound heard at regular intervals. The busy signal is a steady "buzz-buzz-buzz" sound, indicating that the called line is in use. Some Central Offices are not equipped for giving these signals, but in such cases the operator will give a report if the called party does not answer within a reasonable interval, or if the called line is busy.

TO CALL ANOTHER TELEPHONE ON YOUR LINE

At Barstow, Big Bear Lake, Bishop Lone Pine and Victorville, dial, "9" then the last figure of your number, then the last figure of the number desired, and replace your receiver.

For example—If your number is 5321 and the number you wish to call is 5322, dial "9", then "1", the last figure of your number, then "2" the last figure of the number desired and replace the receiver. The bells of both stations will ring. When the other party answers, the bells will cease ringing. If the other party does not answer within a reasonable time, remove the receiver to stop the ringing and call again at a later time.

At Big Pine, Independence, Leevining and Pine Creek, dial "91," then the last figure of your number, then the last figure of the number desired, and replace the receiver. The bells of both stations will ring. When the other party answers, the bells will cease ringing. If the other party does not answer within a reasonable time, remove the receiver to stop the ringing and call again at a later time.

GENERAL INFORMATION FOR CUSTOMERS

COMPLAINTS

Our aim is to render a service that will give complete satisfaction to our customers. If at any time difficulties are not promptly corrected or unsatisfactory conditions continue after calling the Business Office, we shall appreciate your communicating the facts directly to the General Superintendent at Bishop.

OUT-OF-TOWN CALLS

AN INTERCHANGE RATE APPLIES ON A CALL TO ANY TELEPHONE
BEYOND YOUR LOCAL SERVICE AREA

STATION-TO-STATION CALLS

A station-to-station call is one on which you are agreeable to talk with ANYONE WHO ANSWERS at the called telephone. The rates are less than on Person-to-Person calls. Reduced Station-to-Station rates are in effect from 7 p. m. to 4:30 a. m. daily and all day Sunday unless the initial period rate is twenty-five cents or less.

APPOINTMENT CALLS

Appointment Calls are Person-to-Person Calls on which you wish arrangements made in advance with the station or person to be called to talk at a specified time. This rate is approximately $\frac{1}{4}$ greater than the station-to-station week-day rate.

MESSENGER CALLS

Messenger Calls are person-to-person calls requiring the use of a MESSENGER to secure attendance of a designated person at the called telephone. This rate is approximately $\frac{1}{4}$ greater than the station-to-station week-day rate.

REPORT CHARGES

A limited charge known as a Report Charge is made under certain conditions, such as on uncompleted Person-to-Person, Appointment, Messenger, and Collect Calls if the called telephone is reached but communication is not established for reasons beyond the control of the Telephone Company. This rate is approximately $\frac{1}{4}$ of the station-to-station week-day rate.

Rates and other information may be obtained from Long Distance

HOW TO PLACE OUT-OF-TOWN CALLS

Station-to-Station Calls

It is always desirable in placing STATION-TO-STATION calls to nearby points, to give the operator the number of the telephone at the distant point. If you do not know the number, please refer to your directory. If the number is not listed, Information may help you. To place a Station-to-Station Call, give the operator the name of the place and the telephone number you are calling. Give your telephone number to the operator when requested.

STATION-TO-STATION CALLS TO POINTS BEYOND THE NEARBY VICINITY should be placed in the manner suggested in the preceding paragraph. If you do not know the number, say for example, "Los Angeles. Anyone at the residence of John Brown, 4000 Highland Blvd."

Person-to-Person Calls

To place a Person-to-Person Call, give the Operator the name of the place, the telephone number, and the name of the person with whom you wish to talk. If you do not know the number, say for example, "Los Angeles. John Brown of John Brown Co., 1000 Cass Street." Give your telephone number to the operator when requested.

PERSON-TO-PERSON CALLS

A Person-to-Person call is one on which you wish to talk with a PARTICULAR PERSON SPECIFIED BY YOU. If you desire connection with a particular station of a Private Branch Exchange without specifying a particular person, this is also classified as a Person-to-Person call. This rate is approximately $\frac{1}{4}$ greater than the station-to-station week-day rate.

COLLECT CALLS

Reversal of charges on Person-to-Person, Appointment, and Messenger Calls is permitted, provided the called party accepts the charges.

Reversal of charges on Station-to-Station Calls is permitted when ANYONE ANSWERING accepts the charges and when the initial period rate station-to-station rate is less than twenty-five cents, charges may be reversed at the person-to-person rate.

Collect Calls are not accepted to points outside of the United States, Canada, and Cuba.
